Re: COVENANT CARE CALIFORNIA, LLC and
COVENANT CARE LA JOLLA, LLC
Case 21-CA-090894

ORDER¹

The Charging Party and the Respondents' Joint Motion to Remand this case to the Regional Director is **denied**. The Joint Motion requests a remand for the purpose of having the Regional Director approve the withdrawal of the charge in light of the non-Board settlement agreement reached by the Charging Party and the Respondents. In opposing the motion, Counsel for the General Counsel asserts that the Regional Director has reviewed the non-Board settlement and has determined that deferral to the settlement is not warranted. Without reaching the merits of the underlying case, we find that, because the Regional Director would not approve a request to withdraw the charge, a remand of this matter would cause unnecessary delay and would not effectuate the purposes of the Act.
